01:01:59		<b>GRAPHICS ON SCREEN:</b> D'MICHELLE DUPRE Forensic Pathologist
01:02:04	Clay Emminger	Very tight knit community. Everybody loves the water here, that's what we live here for. You can get yourself lost during the daytime and go exploring different creeks and it's just beautiful. But at night, it's a whole different animal. Foggy nights on the water are dangerous.

01:02:29		<b>GRAPHICS ON SCREEN:</b> Saturday, February 23 Beaufort County, SC
01:02:40	Anne Emerson	It's supposed to be a fun day. This is supposed to be just a fun trip out on the boat. You've got six kids, they're all between the ages of 18 and 20 years old. There's Connor Cook and his girlfriend Miley Altman. You have Morgan Doughty and her boyfriend, Paul Murdaugh, and then there's Anthony Cook, Connor's cousin, and his girlfriend Mallory Beach.
01:03:14	Drew Tripp	Three couples, all life-long friends, they're out for a night of fun.

01:03:25		<b>GRAPHICS ON SCREEN:</b>

		Original Snapchat Photo
01:03:25	Drew Tripp	They were apparently posting Snapchats for the whole night. Kinda giving their friends and family and followers a glimpse into what was going on, and what they were doing.
01:03:35		<b>GRAPHICS ON SCREEN:</b> Original Snapchat Photo  Chechessee winter time
01:03:42	Anne Emerson	They wanted to go to a party. There was an oyster roast going on a mutual friend's house. We're famous for our oyster roasts. They are the quintessential gathering for family and friends, so instead of driving, Paul said "Well you know, my grandfather's river house is down here."
01:04:02	Drew Tripp	So their plan for the night is first they're gonna meet at Paul's grandfather's house on Chechessee.
01:04:08	Kimberly Brant	Chechessee is the body of water just down the river.
01:04:09		<b>GRAPHICS ON SCREEN:</b> KIMBERLY BRANT Hampton Native
01:04:13	Anne Emerson	And they're gonna load up the boat, and go down to an oyster roast. Everybody bring your own alcohol, bring your own beer. So the kids are picking up a six pack here, a 12 pack there. And then they're getting ready for their trip out up the river.

01:04:55		<b>GRAPHICS ON SCREEN:</b> At 2am, two hours after leaving the party, they are still not back at the Murdaugh house.
01:05:02		<b>GRAPHICS ON SCREEN:</b> Air temperature 57°
01:05:04		<b>GRAPHICS ON SCREEN:</b> Water temperature 67°
01:05:08	Anne Emerson	February, it's cold for us.
01:05:11	Clay Emminger	There was what we call sea fog. It was very foggy that morning, and the fog was hovering right above sea level.
01:05:20	Anne Emerson	They're trying to get home, back to this river house. The conditions were deteriorating quickly. Paul was driving the boat.
01:05:29	Drew Tripp	Everybody on the boat was concerned about how he's driving. They're wanting him to show more caution to be more careful.

01:05:38	Anne Emerson	Anthony is like, "Get me off at the next dock." But let's be honest, like, when you start getting into those waters, where are you getting off? And so it's terrifying.
01:05:55	D'Michelle Dupree	They were going through the place called Archer's Creek, which is near the Parris Island Bridge.
01:06:02	Drew Tripp (Archive)	That late at night, no lights, the conditions they were in, the fog...it's very dangerous.
01:06:09		<b>GRAPHICS ON SCREEN:</b> Original Snapchat Video
01:06:11	Anne Emerson	Got six kids on it, you know, you've got two people standing at the console, you've got two young girls at the very front.
01:06:19	Gregg Roman	The boat stops. They float.
01:06:24	Anne Emerson	And for whatever reason, that throttle gets pushed all the way down. You've got Mallory and Anthony, they hit the deck, they're on the bottom. He's holding onto his girlfriend as hard as he can.
01:06:43	Anne Emerson	And the next thing you know, they hit this pylon straight on.
01:06:47		<b>GRAPHICS ON SCREEN:</b> 2:07 am Archer's Creek Bridge
01:07:00	Anne Emerson	It was horrific.
01:07:08	Anne Emerson	The boat just takes it straight into the hull, cracks it right down the seam, and you have a boat that is falling apart in front of your eyes.
01:07:12		<b>GRAPHICS ON SCREEN:</b> Actual Crime Scene Photo
01:07:19	Drew Tripp	Paul Murdaugh, Anthony Cook and Malory Beach, all three were ejected from the boat. Connor, Miley and Morgan managed to stay in the boat, but two of them were severely injured in the process.

01:07:31		<b>GRAPHICS ON SCREEN:</b> Actual Crime Scene Photo
01:07:33	Anne Emerson	Morgan's hand has been seriously injured, and she's screaming bloody murder. Paul's in the water, Connor has been injured severely on his face.
01:07:44	Drew Tripp	They're all disoriented and in shock and traumatized by what's just happened. Anthony comes back across the water to where the boat wreckage is. He's asking the ones that are still in the boat, "Where's Mallory? Where's Mallory?"
01:07:48		<b>GRAPHICS ON SCREEN:</b> Actual Crime Scene Photo
01:07:58	Anne Emerson	And they're like, "What do you mean where's Mallory?" Mallory Beach is nowhere to be found. And that's when the chaos and the confusion and the terror just starts seeping in.

01:14:23	Gregg Roman	In 1920, Randolph Murdaugh was the first elected solicitor of the 14th Judicial Circuit.
01:14:30	Michael Virzi	So solicitor is South Carolina's word for a district attorney. And it's the lead criminal prosecutor for that district, or in South Carolina, that circuit. It is a powerful role. The solicitor's office decides what cases to prosecute, and when a case is gonna get prosecuted and when people are charged.

01:14:50	Gregg Roman	He would hold that position for 20 years. Right after his death, his son, Randolph Murdaugh, also known as Buster, came into office and he ruled from 1940 until 1986. In 1986, his son Randolph Murdaugh the third, took over and eventually would be the solicitor until 2006.

01:15:40	Michael Virzi	Even though it was Peters, Murdaugh, Parker, Eltzroth & Detrick, it was known as the Murdaugh firm for generations.
01:15:50	Drew Tripp	Everybody knows that if you want a powerful attorney, somebody that's gonna take your case and win your case and get you a lot of money, you call the Murdaughs. You call the Murdaugh law firm.
01:16:05	Gregg Roman	The influence of PMPED even extended to the courthouse that they practiced in, with dominating portraits of all of the members of the Murdaugh family that served as solicitor looking over the very people practicing in their court room.

01:16:25	Drew Tripp	So when this boat crash occurs, there is certainly the perception that the Murdaughs are above the law.

01:23:15	Anne Emerson	Alex Murdaugh, according to hospital staff, is now going up and down the corridor looking at the board trying to figure out where the rooms are. And is going into the rooms to talk to the kids who were in the boat crash.
01:23:30	D'Michelle Dupree	No-one else is typically allowed in a patient's room other than the next of kin or family. It's totally inappropriate. But that tells me that they thought they were powerful enough and intimidating enough that they would be able to do that and pull it off.

01:28:58	Male TV broadcaster (Archive)	It's the conclusion that family and friends of Mallory Beach feared after praying for a week for a miracle that maybe she had survived that boat crash and would be found alive.

01:29:10	Drew Tripp	A week goes by and finally, some searchers find Mallory's body. This was about five miles from where the accident happened. The coroner ruled her cause of death as blunt force trauma and drowning.

01:30:28	Anne Emerson	At the funeral, there's this outpouring from the community. Hundreds of people come and pay tribute just to support the family, and let 'em know how much Mallory meant to the community.
01:30:46	Kimberly Brant	These people would give everything they have to have Mallory back. They would. They would give everything.
01:31:12	Anne Emerson	I don't think that the Murdaughs knew what was at stake yet, but they knew that there was a snowball coming down the hill fast.
01:31:21	Drew Tripp	Paul Murdaugh, 19 years old at the time, not legally able to buy or consume alcohol, driving a boat that belonged to his father, unsupervised. Three people injured at least, one person killed. That is a lot of liability, in the eyes of the law.

01:34:02	Drew Tripp	Typically when someone is showing up in bond court, they are in a jail jumpsuit.
01:34:10	Kimberly Brant	I think the way they handled it was <LAUGHS> pretty classic. They took his mug shot in the hallway of the courthouse. It just showed that he was being treated in a way that didn't reflect what should have happened.
01:34:25	Gregg Roman	Paul Murdaugh is released on a bond on his own recognizance. Even though he was under court order to not participate in the consumption of alcohol, there's video of him being out in Columbia, South Carolina, after he was indicted, drinking excessively, partying, almost as if he forgot what led to the death of that young girl.
01:34:29		<b>GRAPHICS ON SCREEN:</b> Original Cellphone video
01:34:56	Kimberly Brant	Paul was, I don't know, he was different. I observed Paul when he was young. He was a child that liked to kill little baby animals. He would take a kitchen knife and kill a lizard or a frog.
01:35:15	Gregg Roman	Paul Murdaugh was around 14 or 15 years old when he started drinking. And this can be confirmed by his own social media that he put online. There was allegations of excessive binge drinking that would take place both at the Murdaugh family home, and at different properties that they own.
01:35:32	Drew Tripp	Paul's wild uncontrollable, erratic, somewhat dangerous personality was exacerbated by his drinking. It came out when he's drinking.
01:35:46	Gregg Roman	Morgan, Miley, Connor, and Anthony all talked about how much of a vicious drunk Paul Murdaugh was.
01:35:58	Kimberly Brant	Don't discount Paul for one second. He could do, he could kill anyone, I believe, in my opinion he could.

01:37:23	Anne Emerson	When the kids leave the oyster roast, they don't go back to the river house. They decide to go downtown. And it wasn't a mutual decision. This was Paul, who really wanted to go downtown. "Let's go downtown." There were kids that were fighting it on the boat. They were saying, "No, no, no I gotta get back." Like, all of a sudden this is turning into an adventure that they hadn't signed up for basically. But in the end, Paul wins, 'cause he's driving the boat. 01:40:30	Drew Tripp	He's getting into fights with everybody on the boat. It even gets to the point where he apparently spits on and hits his girlfriend Morgan.
01:40:40	Gregg Roman	He decided to strip down to his skivvies, and start driving in freezing cold weather, in the middle of February, in South Carolina.
